### Footnotes:

- (a) Each member of the Democratic National Committee, as duly certified to the Party Secretary, is a delegate from the state or territory in which he or she legally resides at the time of the 2020 Democratic National Convention. This allocation reflects the current legal residence of all such members, including the officers and those who, pursuant to the Charter of the Democratic Party of the United States, are members by virtue of their status as Party leaders in the U.S. Congress or by virtue of their status as representatives or designees of such Party leaders or of other associations and organizations specified in the Charter. Because such members are subject to change, delegate distribution at the Convention may differ from that set forth above. In addition, the DNC member allocation set forth above reflects the number of votes (not the number of delegates) added to the delegation from each state or territory to take into account such members. Because of fractional votes in Democrats Abroad, the number of such delegates will differ from the number of delegate votes allocated.
- (b) Members of Congress include all Democratic members of the U.S. Senate and the U.S. House of Representatives, except those Democratic members who are reflected as delegates in other categories pursuant to the rules. Democratic Members of Congress are allocated to the states based upon the residence of those members. The exact number of those delegates is subject to change due to possible deaths, resignations, elections or special elections between now and the time of the 2020 Democratic National Convention, and possible changes in the membership of the Democratic National Committee.
- (c) The allocation for Democratic Governors does not include those Democratic Governors who are members of the Democratic National Committee and serve as delegates in that capacity. This allocation for Democratic Governors is subject to change due to possible deaths, resignations, elections or special elections between now and the time of the 2020 Democratic National Convention, and possible changes in the membership of the Democratic National Committee. Except as otherwise provided herein, Democratic Governors are those individuals as recognized by the Democratic Governors Association.
- (d) Pursuant to Article I.G. of the Call for the 2020 Democratic National Convention, this category includes the Democratic U.S. President and Vice President, former Democratic U.S. Presidents and Vice Presidents, former Democratic Leaders of the U.S. Senate, former Democratic Speakers of the U.S. House of Representatives and Democratic Minority Leaders, as applicable, and former Chairs of the Democratic National Committee. This allocation for Distinguished Party Leaders is subject to change due to possible deaths, resignations, elections or special elections between now and the time of the 2020 Democratic National Convention.
- + Bonus delegates are awarded pursuant to Article I.C. of the Call for the 2020 Democratic National Convention and will be indicated next to (and in addition to) a state's allocation for District Level and At-Large delegates and included in the Total Pledged Delegates Votes for the state and the Grand Total. Bonus alternates will be indicated and included in the Delegation Size for the state and Grand Total.
